JOHN F. KENNEDY HIGH SCHOOL
Taylor, Michigan

THEME

A silhouette is said to be an outline of some object. This is where we now stand, we are the outline of an object, a person that still must be shaped and filled in by the world beyond the walls of John F. Kennedy High School. It is at John F. Kennedy that we have received the first molding and shaping that will continue for the rest of our lives. Therefore, silhouettes will now take you on through your yearbook and into the future.

Dedicated to the Memory of John F. Kennedy

This man, he died
before his time,
His future ne'er
untold,
A country young
has shared its tears,
For a man she dearly
loved.
Hearts shall mourn and
tears will fall,
They'll sound sweet
freedom's bell,

And few shall 'ere forget
the man,
Whose life in Dallas fell.

---Excerpt from a poem written by
David White.

Juniors have an active Year

Who will be the "champion pancake eater" of Kennedy High? This was the key question at the December 4th pancake supper in the school cafeteria. The winner received a loving cup in honor of that memorable feat and that memorable appetite! The pancake supper, held on a Saturday, was the first activity of the junior class. The supper was catered by the D & E Pancake Service of Lincoln Park. With its motto of "all you can eat for the price of one admission," it proved a big success.

To kick-off the new year, the juniors began with a January 12th "Bermuda Hop" social. But the big affair of the year was naturally the Junior Prom, which transformed the students into truly elegant young men and women.

A precedent was set in April when the juniors sponsored an art sale at the Taylor-Town Mall. Directed by Mr. Gotts, the art display and sale offered an opportunity for all students at Kennedy High to show their talents by entering their individual creations.

Another event of the spring was done in cooperation with the drama club in presenting the school play. The junior class defrayed the expenses of tickets and programs. The final affair, the Junior-Senior Social, was given on May 12th to host the departing seniors as honored guests. Soon, the juniors would be replacing them!

All in all, the junior class had an energetic and profitable year!

Sophomore Highlights

Two events highlighted the 1965-66 sophomore year at Kennedy High School. On December 15th, the sophomores held their first social as a high school class. On May 13th, they sponsored a hootenanny for the entire student body of Kennedy High.

All thoughts are on knowledge when tests are being taken.

Student Council—The foundation of leadership.

The Student Government of John F. Kennedy High School has endeavored to promote school spirit and better student-faculty relations. To instill a feeling of pride in our school, the Student Government sponsored a school decorating project before Christmas, the first annual School Spirit Week, and the largest fall social event -- "Frost at Midnight."

The Student Government has also been at work sponsoring many social functions during the school year. It is constantly attempting to make the school year more interesting and beneficial.

Kennedy Honor Society

The first of Kennedy High School's spring induction ceremonies netted 36 charter members for the Kennedy Honor Society, an organization of the school's most outstanding students on the basis of character, scholarship (3.25), leadership, and service. The 17 senior and 19 junior candidates were notified by mail, at the beginning of the spring semester of their election to membership by the faculty and of the meeting to discuss goals and purposes of the society, plans for having the yearbook picture taken, and information about the formal ceremony to be performed by the Taylor Center High School Honor Society.

Under the direction of sponsor, Mr. Vandette, and the faculty board of directors: Mr. Maley, Mr. Pantalone, Mr. Lininger, Miss Boncarosky, Mr. Bone, Mr. Dickelman, Miss Koan, and Miss Wilkinson, the Kennedy Honor Society was established as the forerunner to the Kennedy National Honor Society which is expected to replace the original organization as soon as Kennedy High School is accredited by the North Central Association.

Queen Marilyn reigns over "Frost at Midnight"

Marty Fowlkes and Pat Bundshuh

The night of November 20th will long remain in the hearts of the Kennedy students for on this night, Marilyn Paananen reigned over the "Fall Festival." The other members of her Royal Court were Marty Fowlkes, Connie Casper, Pat Bundshuh, and Jessie Maynard.

Marilyn's Royal Court

Connie Casper and Jessie Maynard

Fall Festival highlights first half of Kennedy social calendar.

Styles and hair fashions seemed to be the talk of the evening as the girls in attendance showed a wide variety of the latest designs.

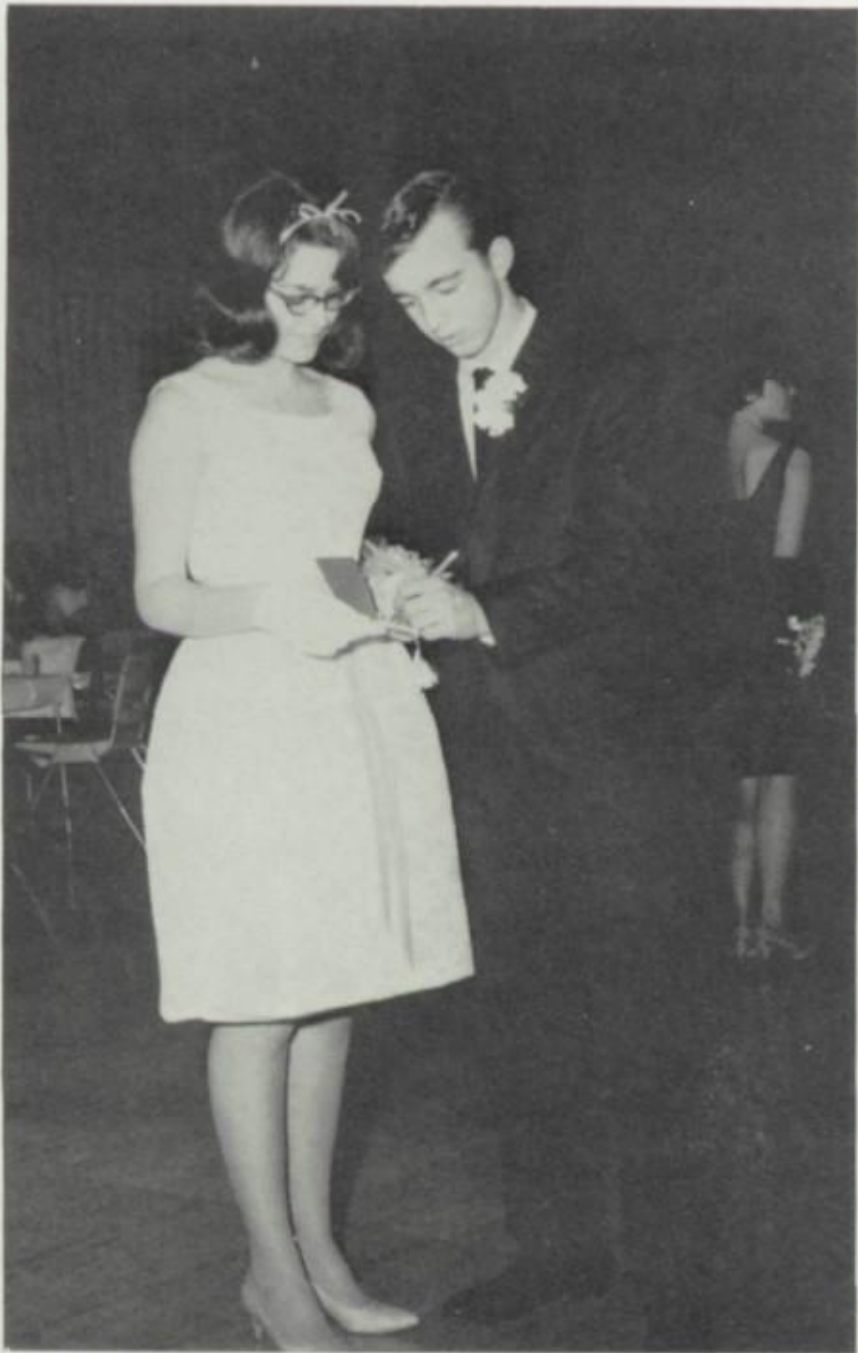

The cares of the world are left behind as the couples danced the night away.

One of the Queen's Court, Connie Casper, flashes a big smile for the TALON photographer as she dances with Sevy Martin.

"Memories are Made of This"

Memory books are one of the things that will linger in the minds of all junior girls. Couples pause at the wishing well on the stairway to heaven.

The Junior Prom

"Man, I never knew that a girl could drink so much punch!"

Couples danced the night away, here Pat Joyner and Dave White dance together.

"What's this?? We find our hero James Bungle (Mike Welsch) locked in a life and death struggle with one of the agents of that sinister organization -- F.L. U.S.H.

But below, we find that he has overcome his adversary and returned to the office to find Mr. Y. who is attempting to round up one spy who's not so chicken-hearted as Agent "C" (Fred Phail) who takes the easy way out -- suicide!

Blunderfinger—the Man

"Better lunches!! Better lunches!! We want better lunches" chants the group of angry lunch ticket burners. "No more flies in the tossed salad !!!!!!"

with the Spastic Thumb.

"You are gonna meet your doom, it's all around you -- Man it creeps up on you like your girl friend's old man!!!"

Pat Nager sure swings a mean trumpet in her part of "You Gotta have a Gimmick". The two others in this act were Barb Hewitt and Diannia Sylo.

"Hey, there's Batman!!!"
 "I don't see him, where did he go?"
 "Back to the Batcave."
 "Why??"
 "Because he had to go to the Bat-room."

Mike Lavelly (Mr. Y.) explains to the evil agents of F.L.U.S.H. (Greg Hart, Dan Miller and Randy Rockhill). Fred Phail, (Agent C.), prepares to help Mike subdue the agents in order to get the plans.

Agents of R.U.L.E. conquer the Evils of F.L.U.S.H.

"Yee Haw!!!" Mr. Y. (Mike Lavelly) deals James Bungle (Mike Welsch) suitable punishment for bungling up the whole case.

Poor John Moore sure looks like he got the worst end of a very bad deal. It seems that John got caught in a rather bad Voodoo uprising that he was supposed to stop. Better luck next time, John.

"What does it do??" Well, Rick Ronan found out just what the evil machine of F.L.U.S.H. does.

Rick Camacho (our sober??? narrator) lectures to us on the evils of drink.

"Down with conformity!! Down with conformity!! Down with conformity!!" Bruce Napier (being carried) incites an angry mob into a frenzy because of the evils of conformity.

The whole cast crowds onto the stage for the final number.

Track

Four members of the Eagle Cross-Country team, now training for track season, loosen up before another grueling work-out. They are (L to R) Dave Lynch, Dan Lockett, Dave Marion, and Mike Welsch.

Getting out of the blocks quick is very important to the dash men in track. Here, Paul Psujek demonstrates this.

Chuck Grinke shows the great strain of putting the shot, an event calling for strength and extremely good coordination.

Dave Ashe is the perfect picture of precise form and speed as he flashes over this hurdle for the TALON photographer.

Eagle Trackmen get new coach.

New coach of the Eagle runners is Mr. Checkler. Here we find him explaining some of the strategy and the work-out, all part of the things that are necessary to win track meets.

**They
know
what
it's like**

The many young people at Michigan Bell
join in congratulating the members of the
graduating class. They know what it's like
to work hard for a diploma, and get one.

They know, too, what it's like to want
a rewarding job with a future, and *find* one.
If you think you might like to join them,
either now or after college, do stop by to see
us. We'll be happy to discuss the wide variety
of career opportunities in the exciting field of
telephone communications.

We have come to the end of our year, but our lives have just begun. When we look back on our high school years, we realize that during these years we have received the training and knowledge that will carry us through the rest of our lives.
